Explore a range of *gâteaux de voyage* and unyeasted laminated breakfast creations that will expand your creativity and charm your customers.

A term popularized by Gaston Lenôtre, *gâteaux de voyage* are elegantly decorated quick breads and cakes designed to travel and have a long shelf life.

In this hands-on course, participants will produce a variety of *gâteaux de voyage*, including a moist hazelnut loaf with jewels of apricot and orange, and a pecan loaf accented with bourbon and pecan crunch. Puff pastry breakfast creations will include contemporary versions of classic breakfast pastries such as chausson aux pommes and a range of savory tarts.
